

**WelcomHeritage Cheetahgarh  
Resort And Spa**

**Jawai**

WelcomHeritage Cheetahgarh Resort & Spa - is a luxury retreat of peace spread across 20 acres of private estate of indigenous wild land, also a home for the leopards. There is a huge tranquil lake with resident crocodiles and migratory and local birds adjunct to the resort.

The resort has been designed to offer visitors the best wildlife and wellness experience, while keeping the local sensibilities and the cultural ecology intact. This secluded paradise is surrounded by the purple Aravali mountains, one of the oldest and longest ranges of Fold Mountains in India.

The local Rabari tribe has been able to benefit economically through the hospitality and tourism industry and their collaboration in providing guests with a local experience is truly invaluable.

The WelcomHeritage Cheetahgarh Resort & Spa provides diners with an unforgettable experience - 'The Club House' is one of the unique offerings of the resort, and its restaurant and bar offer a customized experience to sooth your mood.

And, for those who wish to take a break from the itinerary and treat themselves at the Spa, there is a choice of nurturing spa regimes - Aqua Wellness, Detox wraps, and Ayurvedic therapies.

Enjoy the Aravali range and stunning views

Glamping can be a luxury experience...
